

Washington State Auditor/BERK, Inc and Human Services Research Institute (HSRI) Project Team

Areas of Expertise by Education – While these are all very interesting areas of expertise and experience, there is no one with medical/healthcare clinical, research or educational experience.

How can this team make medical and healthcare related decisions without that area of expertise?

Degrees of Project Team Members

PhD	Masters	Bachelors
	Urban Design	Art history
	Business Administration	Politics
	Public Policy and Administration	Finance
